HOBBIES & ACHIVEMENTS

I play video games. Mostly Role-Playing Games, but I also like adventure games and platformers. I love playing indie games.

I read DC Comics comic books and fantasy books.

I am a co-host in my podcast Gierkowcy, where I talk about games and comics.

I won second place on DevMunster Hackaton as UX designer and Front-end Developer with my team's app called „Oh, purée!“.
